Good morning Brandon and Kevin,

ESAT Response

ESAT Accepts 5 air samples (CT8880) for TO-15 VOCs for sample collection for Former Federal-Mogul Site from 1/14/20 through 1/17/20 with the following exceptions:

- All analytes will be reported at .5 ppbv with the exception of m,p-xylenes which will be reported at 1 ppbv.
- **Please provide an address to ship the canisters and flow controllers to ASAP.**

Please provide any revised ARFs and final acceptance to Christine Phebus Phebus.Christine@epa.gov.
